Dear Dr. Lederberg:

I promised to let you know the dates of Dr. Gale's visit to Chicago.

The latest word seems to be that he will arrive in Chicago on May 25 from Cedar Rapids, Iowa and leave the morning of the 29th for San Francisco. We have asked him to give a lecture here at the University on Friday, May 25.

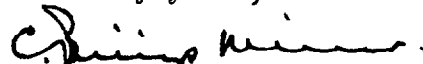

Dr. Gale is bringing his wife and child with him.

As you realize, he will be here for the beginning of the meeting of the Society of American Bacteriologists.

If you want to get in touch with him, his address is:

Dr. Ernest F. Gale
